Join the Club for dinner on **Saturday, July 11, at 3:00 p.m.** at the **Schoolhouse Restaurant**. It is located at 8031 Glendale Milford Rd., Camp Denison, OH, 45111.

We will do a ride to the restaurant leaving from the shopping center lot behind the McDonald's (6222 Wilmington Pike, Bellbrook, 45459), **promptly** at 1:30 p.m.

It's a 1.25-hour ride running the back roads. (For those going on ride, please bring radio if you have one and have a GPS.) If you prefer, you can just meet the group at the restaurant at 3:00 p.m.

The restaurant opens to the public at 4:00 p.m., but they will open an hour early so that we have the entire room to ourselves.

Here is some information about their menu, and visit their website for more information: <https://theschoolhousecincinnati.com>

Our menu relies on simple, all-American foods that remind us of home. Traditional entrees of fried chicken, roast beef, country fried steak, meatloaf, ham, BBQ ribs, baked cod, and salmon to name a few of our delicious offerings. Our meals are accompanied by balanced meal choices of freshly made salads, creamy cole slaw, fluffy mashed potatoes & gravy, country style fresh green beans, carrots or corn with fresh sweet corn bread. All this is served in the original 1862 civil war era classroom, the menu is featured on the original blackboard, served family style on a big lazy Susan for the table to share.
