It was great to see so many of you at our October business meeting! I know it's not always easy to attend with everyone's busy schedules, but our meetings serve an important purpose beyond sharing announcements, updates, and reports on Club business and activities. They're also a great opportunity to catch up with fellow members and enjoy some time together.

One of the major items discussed at our last meeting was nominations for our 2027 officers. As with many volunteer organizations, finding members willing to take on leadership roles can sometimes be a challenge. Fortunately, we have members who are willing to step up and help guide our Club into the future. I'm pleased to share the following nominees for our 2027 officer positions:

- **President:** Alex Temple
- **Vice President:** Tim Satkowski
- **Treasurer:** Cara Thoma
- **Secretary:** Barbara Souza

Although all nominees are unopposed, an election will still take place. An online ballot will be available for all members to cast their votes, so please watch your email for voting instructions and be sure to participate.

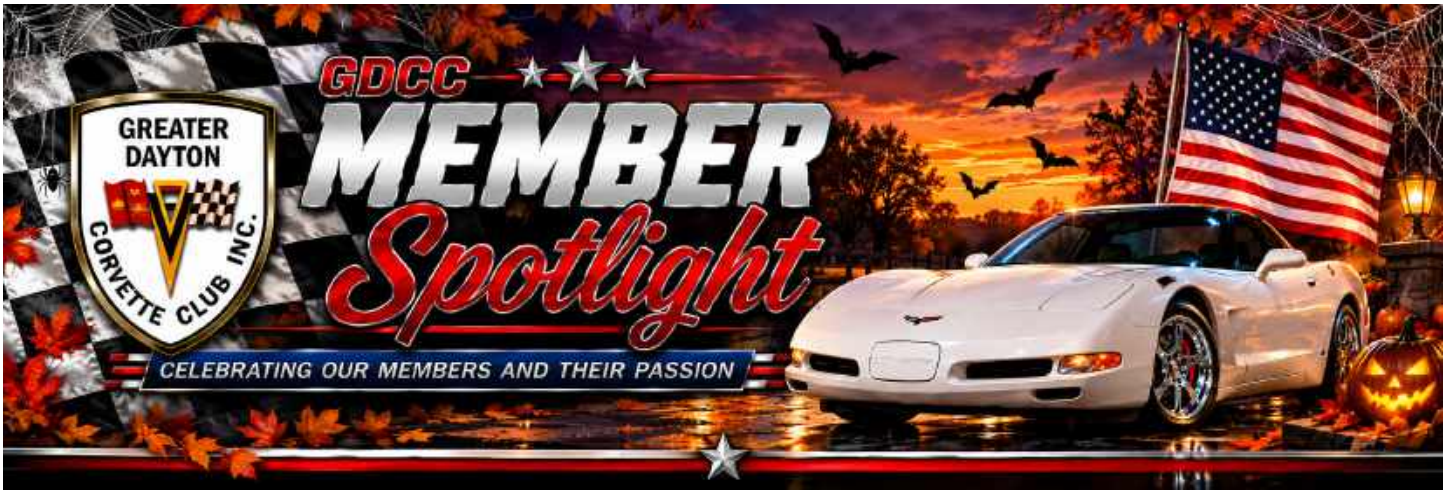

Some members have asked why I decided not to run for President again. The answer is simple: I believe Alex will make an excellent President, and I fully support him and all of our officer nominees. I'm confident they will continue to move the Greater Dayton Corvette Club forward.

Star and I are also looking forward to doing a little more traveling, visiting family, and enjoying a few cruises. While this may sound like a farewell, it's anything but! We plan to remain active in the Club, lend a hand at activities, support our events, and continue to be part of the friendships and fun that make this Club so special.

Thank you all for your continued support. I look forward to seeing the Greater Dayton Corvette Club continue to grow and thrive, and I'm excited about what lies ahead for our Club.

Cheers!

Tom

🎃👻Craig & Jane Brown: A Corvette Love Story with No Tricks, Just Treats! 🏁

Some Corvette dreams begin early, some take a little detour, and others start with a toy convertible that was almost a Corvette! This October, we're shining the spotlight on Craig and Jane Brown and the journey that brought them into the Greater Dayton Corvette Club family.

For Craig, the Corvette bug bit at just 16 years old. The first car he ever drove with his learner's permit was his neighbor's yellow 1972 Corvette—a memorable introduction to America's sports car!

Jane's early Corvette connection was a little different. As a child, she had a Barbie convertible she proudly called her Corvette. It turned out to be an Austin Healey. Close enough for childhood dreams, but we can't help thinking Barbie would have looked even better cruising in a Corvette!

Their connection to GDCC began years before they owned a Corvette. Jane's co-worker, Sharon Pennell, and her husband, Don, were club members. Craig and Jane's children grew up waving to them as they passed by in the Holiday at Home parade. They often said, "Someday, we'll be like Don and Sharon." That someday finally arrived!

In 2024, Craig and Jane purchased their first Corvette—a beautiful dark red 1975 Sting Ray with a T-top. Having always loved this era, they knew it was special. They joined GDCC shortly after purchasing the car and soon discovered that being around fellow Corvette enthusiasts can be contagious!

After seeing the newer models at club events, they caught the bug for another generation. This summer, they welcomed a Long Beach Red 2017 Sting Ray to the garage. The C7 is another favorite, and its arrival brought their Corvette collection to two.

They originally thought they would sell the 1975, but they just couldn't bear to part with it. So, the classic C3 is staying right alongside the newer C7! Their automotive household also includes a 1986 El Camino and two daily drivers. We suspect their insurance agent knows them pretty well by now!

When they're not enjoying their cars, Craig and Jane call Kettering home, where they share life with their two Great Danes. They also have two adult sons, Eric and Nick.

From a teenage first drive in a yellow Corvette to two Sting Rays in the garage, Craig and Jane's story is a reminder that some automotive passions never fade. We're delighted they turned that longtime dream into reality and became part of the GDCC family.

Craig and Jane, we're glad you're cruising with us! May your garage stay full, your adventures keep rolling, and your Corvettes remain free of cobwebs all year long! 🎃🏎️

Buckle up, Corvette crew—it's time to take a spooky spin through October's adventures! From 32 Corvettes braving bone-chilling temperatures at Corvettes & Coffee to Cindy McBee tearing up the track in a C7 and C8, our members proved that neither cold weather nor a few cobwebs can slow down the fun.

We also enjoyed a frightfully good dinner out with friends, brought smiles to the faces of Blairwood Elementary students, celebrated Boris Tirpack's award-winning classic car revival, and took a trip down memory lane with Dick Crandall's lifetime of automotive adventures. From haunted garages to victory-lap glory, this month's stories are packed with horsepower, heart, and a few tricks and treats along the way!

So grab your favorite Halloween treat, turn on those headlights, and follow us down the road for another spirited edition of **Vette, Vibes & Victory Laps!**

Chilly Temps, Hot Corvettes: Corvettes & Coffee at Urbana Municipal Airport!

Who says you need sunshine and summer temperatures to enjoy a great Corvette gathering? Not this crew! On Saturday, October 17th, GDCC members Don and Karen Thurman, along with a few of their Corvette neighbor friends, hosted a fantastic Corvettes & Coffee at Urbana Municipal Airport**,** and our Corvette family showed up ready to roll!

32 Corvettes braved the cold! Despite the chilly temperatures, enthusiasts rolled in for a morning filled with beautiful rides, great conversations, and plenty of Corvette camaraderie. Several Greater Dayton Corvette Club members even convoyed up together, making the trip part of the fun!

A huge THANK YOU goes out to Don and Karen and their friends for hosting this wonderful gathering, and to Mindy's Cafe for providing the coffee that helped keep everyone warm! And, of course, thanks to everyone who bundled up, fired up their Corvettes, and came out to make the morning a success.

Eight Laps, Two Corvettes, and One Incredible Adrenaline Rush!

Well, look who managed to find her way into the newsletter *again!* 😂 Cindy McBee is back in the spotlight, but this time she has a pretty good excuse: eight laps around the track at the National Corvette Museum Motorsports Park in Bowling Green, Kentucky, behind the wheel of both a C7 and a C8 Corvette!

Cindy enjoyed four laps in each car, and what an experience it turned out to be. The C7 Stingray was sleek, fast, and a little feisty in the corners. With its manual transmission, it demanded attention and made every turn a challenge. But then came the C8—and that's when things really got exciting!

The track pro's advice was simple: "Point it and go!" Cindy was reassured that the car would handle the corners, so she took the advice to heart. The result? Incredible speed, amazing cornering, and a car that felt planted to the track. The C8 didn't fight back—it simply delivered. As Cindy put it, **"**THAT CAR IS MADE FOR THE TRACK. WOW!"

Tony rode along for the adventure, encouraging Cindy every step of the way. When the final lap was complete, both were grinning from ear to ear—and even the track pro was impressed, praising Cindy's performance through the challenging corners.

The adrenaline rush hasn't worn off yet, and who could blame her? Four laps in a C7, four more in a C8, and memories that will last a lifetime. Cindy feels incredibly fortunate to have had the opportunity, and we're pretty sure she wouldn't mind doing it all over again!

So, Cindy, we have just one question: Should we save you a spot in the next newsletter for your next Corvette adventure? 😂🏎️💨

October Dinner Out - Fall, Friends & Good Food!

Who says you need four wheels to have a great time with your Corvette family? Sometimes, all you need is good food, great friends, and a little autumn atmosphere! 🍂🍽️

On October 28, 25 GDCC members gathered at Rip Rap Roadhouse in Huber Heights for our October dinner outing. It was a beautiful fall evening filled with delicious food, plenty of conversation, and the kind of camaraderie that makes our club so special.

A big shout-out to Dean and Carol for organizing a fantastic evening! From cruising the roads to gathering around the dinner table, it's these moments together that remind us GDCC is about more than Corvettes—it's about the friendships and memories we build along the way.

Until our next adventure, keep those Corvettes cruising, those friendships growing, and those good times rolling! 🏁🍁

🌭🐾🏎️ Hot Dogs & Hot Rods at Blairwood Elementary! 🏎️🐾🌭

On Thursday, October 29, the Greater Dayton Corvette Club was invited to Blairwood Elementary for a special “Hot Dogs and Hot Dogs” event, and what a fun afternoon it was!

Six GDCC Corvettes rolled onto school grounds, giving approximately 40 students the opportunity to check out these beautiful cars, take pictures, and get an up-close look at America’s favorite sports car! 🇺🇸🏁

This special event celebrated students in grades K–6 who demonstrated wonderful behavior throughout the month of October. What a great way to recognize their hard work and positive choices!

A huge THANK YOU to our GDCC members who brought their Corvettes out to share the fun. ❤️ Your time and enthusiasm helped make this a memorable day for these students—and who knows, we may have sparked a few future Corvette enthusiasts along the way! 😉

At GDCC, it’s about more than Corvettes. It’s about community, making connections, and sharing our passion with the next generation.

From Cobwebs to Concourse: Boris Tirpack's 1963 Fairlane Revival!

This October, as *Fiberglass Flashes* gets into the spirit of "Corvettes & Cobwebs," we're celebrating a GDCC member whose automotive passion proves that even a classic tucked away in the garage for decades can rise from the dust and shine again! Forget haunted houses—Boris Tirpack's 1963 Ford Fairlane 500 has a restoration story that's a real treat!

Boris purchased the Fairlane brand-new in 1963, shortly after graduating from Ohio University. It quickly became much more than everyday transportation. With more than 100,000 miles on the odometer, the red Ford carried Boris and his family through years of memories, including their honeymoon and vacations to Florida, Colorado, and beyond. Through every season and every mile, the Fairlane became part of the family's story.

But even the best classics sometimes need a little hibernation. About 30 years ago, Boris parked the Fairlane in the rear garage, where it spent most of its time resting under a blanket of dust and, no doubt, collecting a few cobwebs! It occasionally ventured out for a trip around the block, but its days of regular cruising were mostly behind it—or so it seemed.

Two years ago, Boris decided it was time to chase away those garage gremlins and bring his longtime companion back to life. Ohio winters had taken their toll, and the restoration was no walk through a haunted house. Fenders, quarter panels, floor sections, and other areas needed significant repair or replacement. Once the bodywork was complete, Boris returned the Fairlane to its original red finish and installed new carpeting and upholstery.

By the fall of 2026, the restoration was nearly complete, and Boris was ready to unveil the results. He entered the Fairlane in the Carillon Park Concourse, hoping to share the fruits of his hard work. The result was anything but spooky: **Best in Class!**

Now that’s a treat worth celebrating! After two years of dedication, patience, and attention to detail, Boris earned a well-deserved honor that made the entire restoration journey even sweeter. His Fairlane proves that sometimes the best way to bring a classic back from the shadows is with a little elbow grease, a lot of love, and a passion that never fades.

Of course, Boris’s automotive heart still beats for Corvettes! Over the years, he has owned seven, and today he enjoys a 2008 silver coupe. About 10 years ago, he entered his 1968 Corvette race car in the Carillon Park Concourse. Although it didn't bring home a trophy that time, his recent Best in Class finish makes this latest chapter even sweeter.

Boris’s story reminds us that automotive passion isn't limited to one make or model. It’s about the memories made, the miles traveled, the projects that test our patience, and the satisfaction of seeing a labor of love emerge from the garage looking better than ever.

Congratulations, Boris, on your beautiful restoration and fantastic Best in Class finish! Whether you're cruising in a Corvette or bringing another classic back from the cobwebs, we're proud to celebrate the talents, interests, and accomplishments that make our GDCC family special.

🎃 Remember, fellow enthusiasts: The only thing scarier than a haunted garage is letting a classic sit there forever! Keep those engines running, those memories alive, and those Corvettes cruising. 🏎️💨

Dick Crandall: A Lifetime of Cars, Corvettes & Classic Memories

Some car enthusiasts develop their passion over time. For Dick Crandall, it started early—and it has never let up! His love affair with Corvettes began back in 1954, when a friend's mother purchased a brand-new Corvette. Dick and his friends spent that summer enjoying rides in the exciting new sports car, planting the seeds for a lifelong automotive passion.

Years later, Dick turned that childhood fascination into Corvette ownership. His first was a used in 1977 ws a 1968 Silver/Gray Corvette**,** followed by a brand-new 2011 Crystal Red Grand Sport. Today, he cruises in a 2019 Crystal White Grand Sport, proving that some passions only get stronger with time.

But Dick's automotive interests extend far beyond Corvettes. He's been a true car guy all his life, with experience in bodywork, painting cars and trucks, and completing two ground-up restorations. His hands-on talents have given him the opportunity to bring some remarkable automobiles back to life.

A Classic Dream Come True

One of Dick's longtime dreams was to own an old Ford. About seven years ago, he spotted a car at a show in Franklin that caught his attention. Two years later, the owner called to say he was ready to sell. At 92, the owner could no longer comfortably get into the car, giving Dick the opportunity to make his longtime dream a reality.

That special find was a rare 1936 Ford Cabriolet with a rumble seat, and he has restored to its original specifications. Originally restored in Pennsylvania, the car eventually made its way to Ohio after being sold at an estate auction. Dick took on the project of completing considerable additional work to bring the classic Ford to the condition he wanted.

Finished in elegant Washington Blue with brown Cordoba leather upholstery, this beauty features an 85-horsepower flathead V8, a three-speed manual transmission with a floor shifter, and mechanical brakes. When new, it carried a price tag of just $625!

Although 3,862 Cabriolets were produced, many have since been modified into hot rods or simply worn out over the decades, making surviving original examples especially interesting to collectors.

Showing Off a Piece of Automotive History

Dick has proudly displayed his Ford at four concours events, along with numerous car shows. Among the highlights was receiving a particularly unique trophy at the Voss Car Show—a memorable recognition for a car that represents so much history and craftsmanship.

From the Corvette that captured his imagination in 1954 to the classic Ford he had always dreamed of owning, Dick's story is about more than collecting cars. It's about a lifelong appreciation for automotive design, the satisfaction of bringing vehicles back to life, and the joy of sharing that passion with fellow enthusiasts.

Whether he's behind the wheel of his Crystal White Grand Sport or showing off his beautifully restored 1936 Ford Cabriolet, Dick Crandall reminds us that the best part of being a car guy isn't just the cars—it's the memories, the craftsmanship, and the adventures along the way.

Here's to a lifetime of horsepower, polished chrome, and plenty of victory laps, Dick!

As the leaves fall and the cruising season begins to wind down, one thing is certain: there's nothing spooky about the friendships, memories, and community spirit that keep GDCC rolling! This month reminded us that whether we're conquering the track, resurrecting a classic from decades of garage hibernation, sharing our passion with future Corvette enthusiasts, or simply gathering for good food and laughs, the best adventures are the ones we share.

A huge thank-you to everyone who brought their cars, organized an event, shared a story, or helped make October memorable. You're the spirited souls who keep our club thriving—and no ghost, goblin, or Ohio cold snap is going to change that!

Until next time, keep those engines growling, those friendships glowing, and those Corvettes rolling. And remember: the only thing scarier than a haunted garage is a Corvette that hasn't been driven lately! 👻🏎️🕷️

Happy Halloween, GDCC! Stay spooky, drive safely, and keep chasing those victory laps! 🏁🎃

🎃🏎️ NCM Insurance: Protecting America's Sports Car

The leaves are changing, the mornings are getting cooler, and Halloween is just around the corner—but that doesn't mean Corvette season is over quite yet! 🍂🎃 There are still plenty of beautiful fall days ahead for a scenic drive, a weekend cruise, or one last *"let's take the long way home"* before the Corvettes head into winter storage.

With those final fall miles in mind, October is a great time to make sure your Corvette has the protection it deserves. Your Corvette is more than just a car—it's a piece of American automotive history and something we're proud to own, drive, and enjoy.

NCM Insurance offers coverage specifically designed for Corvette owners, including agreed value coverage and access to insurance specialists who understand the unique needs of Corvette enthusiasts. Whether your Corvette is a weekend cruiser, a regularly driven favorite, or a cherished classic, having the right coverage can give you confidence every time you turn the key. 🏎️🍁

🎃🏎️ Help Inspire the Next Generation

As fall settles in with crisp mornings, colorful leaves, and a little Halloween spirit in the air, it's a great time to think about the next generation of Corvette enthusiasts. Greg and Debbie Fagan are collecting NEW Corvette Hot Wheels for the National Corvette Museum Educational Program, where every donated Corvette helps introduce a young enthusiast to the excitement of America's Sports Car.

We've collected 25 so far—and our goal is 100! There are still plenty of laps left to close the gap. 🏁

🚗 How You Can Help

Bring your NEW Corvette Hot Wheels to any GDCC meeting or cruise-in, and Greg and Debbie will deliver them to the Museum.

⭐ Preferred: Corvette Hot Wheels
⭐ Accepted: Any new Hot Wheels

A small toy can be the beginning of a big passion. That little Corvette that ends up in a child's hands today could someday become the real thing sitting in their driveway.

So, as the leaves fall and Halloween approaches, let's put a little Corvette excitement in the hands of the next generation. 🍂🎃🏎️

25 collected. 100 is the goal. Help us reach the finish line!

And remember… there's always room for one more Corvette enthusiast in the family.

Mustangs… we'll let them play with the Chargers and Challengers. 😉

🎃🏁 Vets ’n Vettes 2026: A Spooktacular Fall Road Trip Worth Taking! 🇺🇸👻

As the leaves turn golden, the nights grow longer, and Halloween decorations give way to the spirit of Veterans Day, there’s still time for one more memorable fall adventure! Point your Corvette toward Bowling Green, Kentucky, for the National Corvette Museum’s Vets ’n Vettes 2026**,** November 5–7. It’s a weekend where Corvette passion, patriotic pride, and appreciation for our nation’s heroes come together—no tricks, just plenty of treats! 🎃🏎️

The fun kicks off with track time at NCM Motorsports Park**,** followed by lunch at the Museum and a special evening banquet honoring our Veterans. Friday brings scenic road tours through the Kentucky countryside**,** where winding roads, colorful autumn leaves, and a few spirited Corvette miles make for a frightfully good time! 🍂🏁

On Saturday, the group gathers for Bowling Green’s Veterans Day Parade, followed by the American Legion Luncheon. It’s a meaningful finale to a weekend celebrating service, sacrifice, and the friendships that make the Corvette community so special.

Vets ’n Vettes is more than another event on the Corvette calendar—it’s a chance to get our cars out for one more fall cruise, meet fellow enthusiasts, enjoy Kentucky’s autumn scenery, and, most importantly, honor the men and women who have served our country.

The leaves are falling. The Corvettes are calling. And our Veterans deserve to be celebrated! 🇺🇸🍁

That sounds like a boo-tiful reason for one more fall road trip!

As the cruising season winds down and the holiday spirit begins to take hold, GDCC has two special gatherings on the calendar! From honoring the Veterans in our club to celebrating the Christmas season with friends, there are plenty of opportunities to enjoy good company and make more club memories.

🇺🇸 **November 11 – Veteran's Day Program & Dinner Out**

📍 Rob's Restaurant, 705 Arlington Road, Brookville
🕔 5:30 PM

Hosted by Herbie and Judy Smith, this special evening will honor the Veterans in our club. The Smiths will present a brief program recognizing their service and sacrifice. With November 10 marking the birthday of the U.S. Marine Corps, there will also be special recognition for our Marine veterans.

Let's come together to show our appreciation for the men and women who have served our country. 🇺🇸

Planning to attend? Please contact Judy Smith at jsmithvegas@aol.com.

🎄 **December 12 – GDCC Christmas Dinner & Party**

📍 Stonehill Village Community Center, 1300 Shonehill Drive, Xenia
🕔 5:00 PM

It's time to deck the halls and celebrate another wonderful year with our GDCC family! Join us for a festive evening featuring social time, dinner, music, and games.

More details are on the way, so keep an eye out for additional information as we get closer to the celebration. 🍺🎁

Whether we're honoring our heroes or celebrating the holidays, these gatherings remind us that GDCC is about more than Corvettes—it's about the friendships and memories we make along the way. ❤️🏁

Until our next get-together, keep the good times rolling, the friendships growing, and the Corvettes cruising! 🏎️🍻🎄

🎃 Corvette Tech Tip: Beware the Bug Splatter! 👻🏎️

Crisp mornings, colorful leaves, and winding country roads make fall one of the best times to take your Corvette out for a spin! But those beautiful autumn drives can leave behind some unwelcome souvenirs—bug splatter, tree sap, and road grime. If left on your Corvette's finish, these contaminants can become stubborn stains and potentially damage the clear coat. Don't let those creepy crawlers leave a frightening mark on your paint!

🦃 Keep the Creepy Crawlers Away

- **Clean up promptly:** The longer bug residue sits, especially in the sun, the harder it can be to remove.
- **Soften before scrubbing:** Use an automotive bug remover or car-wash solution to loosen residue. Never scrape or scrub dried bugs off your paint.
- **Be gentle:** Use a clean microfiber towel and plenty of lubrication. Avoid abrasive pads and household cleaners that could damage your finish.
- **Rinse and dry:** Thoroughly rinse away the cleaner and residue, then dry with a clean microfiber towel.
- **Add a layer of protection:** Quality automotive wax, paint sealant, or compatible ceramic protection can help repel contaminants and make future cleanup easier.

🍂 Before Winter Takes the Wheel

Before tucking your Corvette away for the season, give it a thorough wash and inspect the front bumper, hood, mirrors, and windshield for stubborn residue. Pay attention to tree sap and other contaminants, too. Removing them now is much easier than discovering they've left a lasting mark when spring cruising returns!

Enjoy every mile of fall cruising, but don't let bug splatter haunt your Corvette all winter! A little attention now will help keep your pride and joy looking frighteningly good for next season. 🎃✨🏁

🎃 A Spooktacular Evening with GDCC

The October meeting was called to order, followed by the Pledge of Allegiance. A total of **62 members** were in attendance for an evening filled with club updates, upcoming activities, important decisions, and a little Halloween-season fun.

👻 Welcome, Announcements & Club Highlights

There were no guests, first-time members, or new Corvettes to introduce this evening. However, it was wonderful to welcome Alex Temple back following his recent surgery!

Several recent club activities deserved a round of applause:

- **National Cheeseburger Day Drive & Dine:** Thank you to Alex and Sherry Temple for organizing the September 18 outing to Capricorn Inn in Wilmington. Ten Corvettes met at the Caesar Creek boat ramp before enjoying a 20-minute cruise along scenic back roads filled with curves and turns. Three additional Corvettes met the group at the restaurant.
- **Dinner Out at The Butcher Block:** Wayne and Diane Dawson organized a wonderful evening on September 24 at The Butcher Block in London, Ohio. Members enjoyed excellent food, service, and atmosphere.
- **Dayton Concours d'Elegance:** Congratulations to Dick Crandall and Boris Tirpack for displaying their special cars at the September event. Dick showcased his 1936 Ford Cabriolet, while Boris brought his 1963 Ford Fairlane 500.
- **A Halloween Gathering Put on Ice:** Unfortunately, uncertain weather forced the cancellation of Springfield's fourth annual Halloween Corvette Gathering. Organizer Michael Foley plans to bring the event back next year, possibly as early as spring.
- **Corvettes & Coffee at Grimes Airfield:** A big thank-you to Karen and Don Thurman and their friends for hosting this event in Urbana last Saturday. Despite the chilly weather, the great location attracted more than 30 Corvettes!

Be sure to check the GDCC Facebook page and upcoming newsletter for photos from these activities. No additional announcements were offered.

The club also prepared to address the results of the Constitution and Bylaws amendments, nominations for 2027 officers, and recommendations for charitable donations later in the meeting.

📁 Officer Reports

Vice President – Jerry McElroy

Jerry called for officer and committee reports.

Secretary – Alex Temple

Terri Kopa made a motion to dispense with the reading of the September meeting minutes. The motion received support from several members and carried.

Treasurer – Nancy Oliver

Nancy reviewed the club's monthly income, expenses, and account balance.

🏎️ The Social Circuit – Upcoming Activities

The Social Committee, led by Star Brooks, shared a calendar packed with opportunities to get out, have fun, and enjoy the company of fellow Corvette enthusiasts.

Wednesday, October 28 – Dinner Out at The Rip Rap Roadhouse

Dean and Carol Tavener will host an evening out beginning at 5:00 PM at this historic Huber Heights restaurant, known for its burgers, chops, ribs, and other unique menu items. Members should RSVP to Carol Tavener. A signup sheet was circulated.

Thursday, October 29 – Hot Dogs & Hot Rods

GDCC has been invited to Blairwood Elementary in Dayton from 11:30 AM to 1:30 PM to help celebrate students in grades K–6 who have demonstrated wonderful behavior throughout October.

The school reached out to the club for a few Corvettes to display, giving students the opportunity to see these special cars up close and have their pictures taken in them. One teacher shared a particularly sweet story about the school's recent word of the week, "get." A student used it in a sentence: "When I get older I will get a Corvette."

Now that's a future Corvette enthusiast in the making!

The club hopes to have four to six Corvettes represented. Contact Star Brooks if you would like to participate.

Wednesday, November 11 – Veterans Dinner Out

Herbie and Judy Smith will host dinner at Rob's Restaurant in Brookville at 5:30 PM. The evening will include recognition of our club's veterans and a celebration of the Marine Corps birthday. Members should RSVP to Judy Smith.

Monday, November 30 – Wilson Football Factory Tour

Members will travel to Ada, Ohio, for a tour of the Wilson Football factory. The group plans to depart the Fairborn area around 9:30 AM, with the tour scheduled for noon. There will be time to visit the gift shop and likely enjoy a meal together.

The tour costs $15 per person, and space is limited to 30 participants. Please RSVP to Tuesday Nisewonder or Star Brooks. Additional details will follow.

Saturday, December 12 – GDCC Christmas Party

Mark your calendars for a festive evening beginning at 5:00 PM at the Stonehill Village Community Center. The celebration will include social time, dinner, music, and games. Signup sheets are available; RSVP to Star Brooks or Nancy Combs.

Members were encouraged to share additional activity ideas and volunteer to help. The Social Committee is always looking for fresh ideas and helping hands!

 A Birthday Worth Celebrating

October 22 marks the **62nd birthday of the Greater Dayton Corvette Club!**

The club was officially incorporated with the State of Ohio in 1964. Its first president was Ken Kinderman, who was reportedly in his twenties at the time. Tom Brooks and his wife shared that they knew and worked with Ken at Mead Paper, but did not learn of his involvement with the club until they joined GDCC in 2010. Sadly, Ken passed away last year.

Members celebrated the club's milestone with cake and cupcakes. Happy birthday, GDCC—and here's to many more years of Corvettes, friendships, and unforgettable memories!

 Membership Report – Carol Tavener

Carol reported that the club had 196 members at the beginning of the meeting. Four former members rejoined, along with two friends, bringing total membership to **202 members!**

Carol also shared a thank-you card from Alex Temple expressing appreciation for the club members' support and well wishes during his recovery.

 Email & Web Services – Greg Rafuse

Greg was unable to attend, as he continues working on updates to the club's website, including the main page design, calendar functionality, survey features, and other improvements.

🏁 Public Relations & National Corvette Museum – Greg Fagan

Greg provided updates on current National Corvette Museum raffles and sweepstakes.

Hot Wheels Donation Drive: This is the final call for new, packaged Hot Wheels cars to donate to the Museum. The Fagans will attend the Ambassador Academy during the weekend of November 6 to deliver the collection. The club has gathered just over 60 cars and hopes to reach approximately 100. These cars are distributed to schoolchildren visiting the Museum on field trips.

New Collection Building: The Museum's new Collection Building is now open. Please note that it is not included in standard Museum admission and requires an additional fee, similar to the factory tours. At the time of the meeting, no factory tours were available.

Vets 'n Vettes – November 5–7: This annual event brings together veterans, active-duty service members, Corvette owners, and supporters in Bowling Green, Kentucky, to recognize and honor those who have served. Activities include laps at NCM Motorsports Park, scenic drives through South Central Kentucky, participation in the Bowling Green Veterans Day Parade, luncheons, a banquet, and time to connect with fellow enthusiasts.

A Corvette is required for event activities. Online registration has closed, but on-site registration will be available at the following rates:

- Lifetime Members: $45
- Members: $50
- Non-members: $60

For assistance, contact the Museum's Events team at events@corvettemuseum.org.

Members planning a Museum visit who are not members themselves were reminded to check with Greg Fagan or Tom Brooks, as the club has Museum passes available.

📜 Old Business – Amendment Results

Members reviewed the results of two proposed amendments:

- **Constitution Amendment – Officer Elections:** The amendment to move officer nominations from November to October and elections from December to November passed with 36 votes.
- **Bylaws Amendment – Annual Dues:** The amendment to move the annual dues payment deadline from December 31 to January 31 passed with 36 votes.

Both changes were approved.

🆕 New Business – 2027 Officer Nominations

The club reviewed the duties of the elected officer positions as outlined in the Constitution and opened nominations from the floor.

The following nominations were recorded:

- **President:** Alex Temple, nominated by Valerie Mosley
- **Vice President:** Tim Satkoski, nominated by Jerry McElroy
- **Treasurer:** Cara Thoma, nominated by Star Brooks
- **Secretary:** Barb Souza, nominated by Tom Brooks

A ballot link will be emailed to current members within the next few weeks. Electronic ballots are due **November 17**. A paper ballot will also be available at the November 18 meeting.

Following the election, the 2027 Executive Board will appoint individuals to the remaining committee and non-elected positions: National Corvette Museum Ambassador, Membership, Social, Newsletter, Public Relations, Webmaster/Email Administrator, and Historian.

The club appreciates those already serving in these roles and welcomes additional volunteers. Anyone interested in becoming more involved should contact a club officer.

❤️ Charitable Giving – Recommendations for 2026

Members were reminded that charitable donation recommendations must be submitted using the club's Donation Request Form by **November 11**. Forms can be submitted to any club officer, and hard copies were available at the meeting. The Executive Board will review the requests and make the final decisions regarding the club's 2026 charitable contributions.

Two recommendations were discussed:

- **Best Friends Pet Assistance and Therapy:** Norma Arrington described the organization's work providing comfort and emotional support through dogs that visit hospitals, schools, and other groups. Norma Arrington and Karen Thurman are members of this group.
- **National Corvette Museum Field Trip Program:** Greg Fagan recommended considering a $750 donation to help support educational field trips for local students visiting the Museum. At $14 per student and teacher, the contribution could help fund visits for approximately 50 teachers and students.

🛍️ Club Reminders & Sponsor Appreciation

A few helpful reminders before heading out into the October night:

- **Club shirts:** See Sherry Temple.
- **Name tags and window clings:** See Star Brooks.

The club also recognized its valued sponsors. Bud's Chevrolet in St. Marys continues as a club sponsor, Corvette Care is returning as a car show sponsor, and Performance Wraps is a new car show sponsor.

Members were encouraged to show their appreciation by supporting these businesses.

Dan Gorby shared his recent experience with Corvette Care, where his C7 Grand Sport recently received service. He was impressed with the work and felt the price was reasonable.

A thank-you was extended to TJ Chumps for providing the meeting space, along with a round of applause for the evening’s servers.

🎟️ 50/50 Raffle

Nancy Combs coordinated the evening’s 50/50 raffle. A total of $196 was collected, with $88 awarded to the winner. Pat Mosely held the winning ticket—proof that sometimes the treat is better than the trick!

🕸️ Until Our Next Meeting…

With club business wrapped up and another successful meeting in the books, members were encouraged to watch for upcoming events and continue enjoying the fall driving season.

The meeting adjourned at **7:57 PM**.

Next Meeting: Wednesday, November 18, 2026, at 7:00 PM at TJ Chumps in Fairborn.

Until then, keep your Corvettes polished, your headlights bright, and those cobwebs off the garage queens. Happy Halloween from GDCC!

🎃🏎️ Keep Your Corvette Cruising Strong—No Tricks, Just TLC! 👻

Crisp autumn air, colorful backroads, and the rumble of a Corvette engine make fall cruising a real treat! But after a summer of spirited drives, your Corvette might have a few spooky surprises lurking under the hood. Before those little gremlins turn into frightening repairs, give your pride and joy some well-deserved attention!

Located in Columbus, Corvette Care brings more than 50 years of experience specializing exclusively in Corvette service, performance, restoration, and maintenance.

As a valued GDCC sponsor, Corvette Care offers club members a 10% discount on all services! Whether your Corvette needs routine maintenance, a little performance magic, or help chasing down a mysterious rattle, their experienced team can keep your ride running frightfully well.

🍂 Don't let mechanical gremlins haunt your fall cruising! Before the leaves finish falling and your Corvette settles in for its winter hibernation, treat it to a little TLC.

After all, the only screams you want to hear are from your Corvette's horsepower—not from under the hood! 🎃🏁
